A message from the EXECUTIVE DIRECTOR

Happy New Year! What is so special about the New Year? A quick web search will reveal an abundance of facts and suppositions on why we celebrate the New Year and how it is celebrated all over the world. My personal favorite is Spain's 12 Grapes at Midnight tradition.

Despite our cultural and geographic differences, we all share the spirit of celebration after having made it through the year. Now, we pursue all-new accomplishments for an all-new year.

Before we look ahead, let's take a moment to review this year's upgrades.

- Launch of Court Reserve, the all-new online sports court reservation system
- Fully digital architectural submittals
- Quick architectural approval processes for select elements
- New Pickle Ball Court at the Tierra Grande Pool facility
- New Bocce Ball Court at the Talega Swim & Athletic Club
- Pool heater replacements at both Saluda and TSAC Lap Pools

Talega is entering its 23rd year as *The Village in the Hills above the Sea* and is aging gracefully. The Board of Directors and Budget and Finance committee have worked diligently to ensure that the funds are available to support the annual renewal projects.

On the schedule for 2023 are ...

- Coping replacement and the re-plastering of the TSAC Recreational Pool
- Restroom renovations at all pool locations (8 restrooms)
- TSAC Splash-N-Play design and renovation
- Renovation of the Talega Village Tot Lot
- Design and bid consultations for tot lots in Cazadero, Sansol, Amalfi, and Portofino.
- Design work for enhancements to Calle Altea Park and the Swim & Athletic Club.

The Landscape committee will continue focusing on the renewal of the public facing areas. Providing support to the Landscape Team, the committee is dedicated to using California native foliage where possible and reducing the need for irrigation and pesticide use.

The Budget and Finance committee works parallel with the Board of Directors to control cost and maximize value. This year, the rapidly changing economy and extreme inflationary pressures will cause assessments to increase.

Once the 2023-2024 Operating Budget has been finalized, notices will be mailed to each homeowner that will explain the specifics of any increase which will go into effect on April 1.

Beautification in Talega is continuous, as we are always looking for new and innovative ways to keep Talega one of the premier communities in Southern California.

Sincerely,

BRIAN TAYLOR

Are you the next TALEGA NEIGHBORHOOD DELEGATE?

Talega has nearly 11,000 residents spread across 37 unique neighborhoods. We want every member to be properly represented, which is why we have **Neighborhood Delegates** to assist with the governance of this large, master-planned community.

If you . . .

- Care about your community and want to make a meaningful contribution
- Are actively engaged with your neighbors, observant, respectful, and a good listener
- Can be a positive voice for the community, relay perspectives on matters that are relevant to the membership, and solicit feedback when requested by TMC or its Board of Directors,

We would like you to consider becoming a Neighborhood Delegate!

Your commitment?

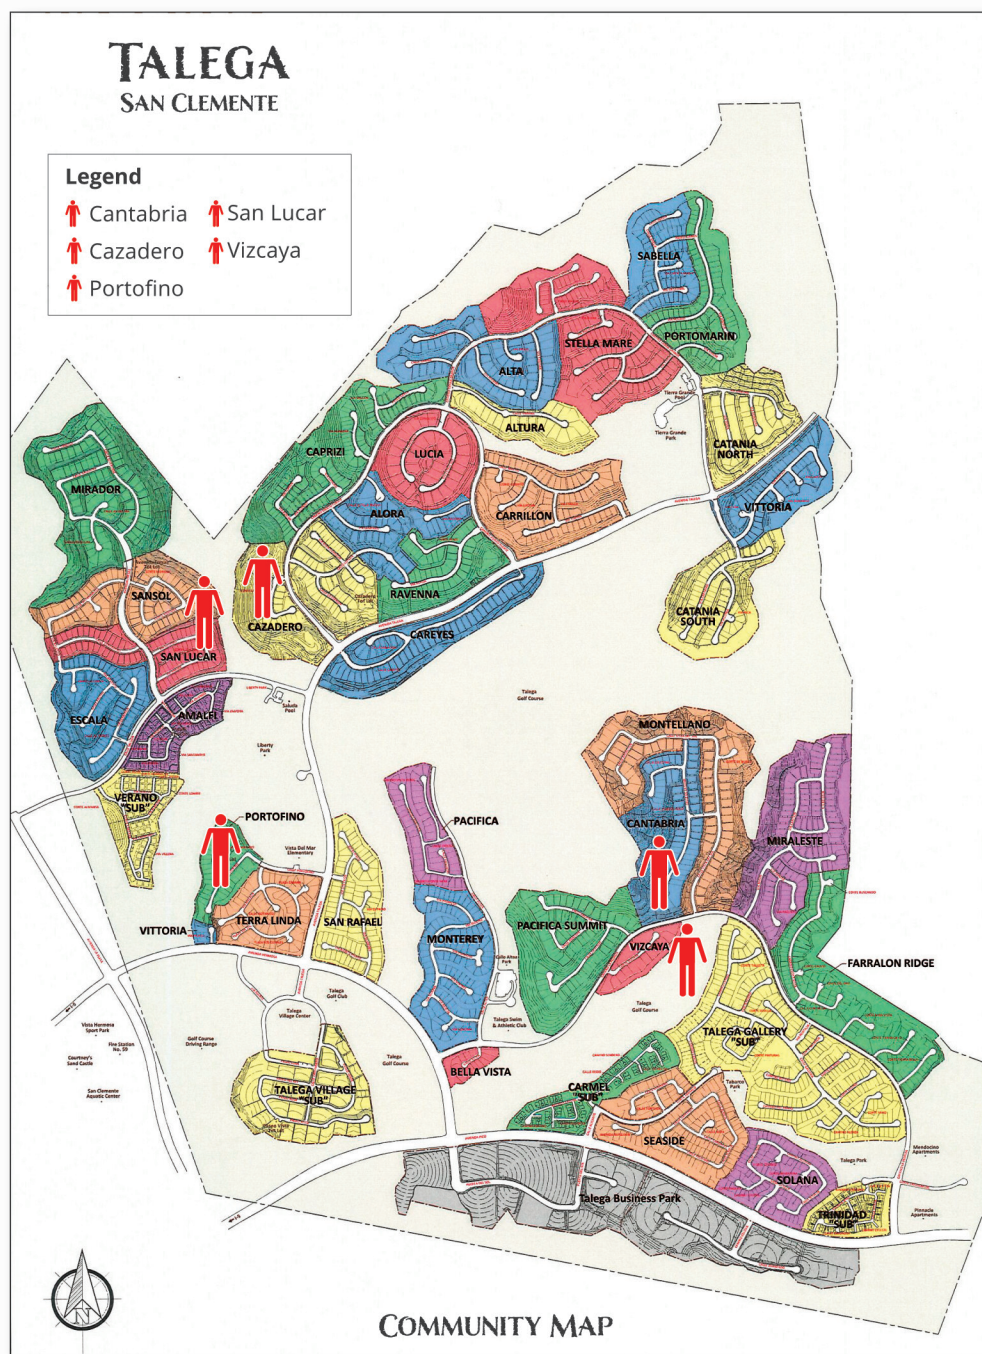

- Attend 4 to 6 Neighborhood Delegate Meetings a year (at TSAC or virtual)
- Keep a pulse on your neighborhood, report issues, feedback, and suggestions as deemed appropriate
- Proactively keep your neighbors informed on major issues that affect both your neighborhood and Talega
- Represent your neighborhood constituents during the Election of Directors at the Annual Meeting, as well as validate counts and homeowner proxies, and cast proxy ballots when requested to do so by a neighbor

Requirements?

- You must be a Talega homeowner
- You must be approved by the Talega Board of Directors

What's in it for you?

- The respect and gratitude earned for your contribution to our community
- Special guest speakers
- The opportunity to engage with your neighbors beyond just a casual, "Hello"
- The opportunity to better understand all of the operational and governance aspects of our great community, including better visibility to the City of San Clemente
- Dinner provided at the delegate meetings
- Priority reservations for Talega's big events
- New Delegate Meet-n-Greet Block Party

*  Represents neighborhoods that are still in need of a delegate.

MIDDLE SCHOOL MADNESS COMMITTEE

Calling all middle schoolers of Talega, we need your help! TLC aims to provide events that cater to every individual in Talega. We are looking for a group of 7-9 middle schoolers (6th – 8th grade) to let us know what they would like to see from the Middle School Madness event. We are looking to collaborate

and form new creative ideas for activities that appeal to this age group. This is a one-time meeting; further details will be discussed once the committee has been formed. Please contact lifestyle@TalegaToday.com for more information. Thank you for working closely with us to create events that are fun for everyone!

25th ANNIVERSARY COMMITTEE

Born in 2000, Talega evolved into the beautiful, breezy community we know it to be today. For our 25th Anniversary, we are looking to celebrate in a big way. We are looking for up to 7 Talegans to help us plan the celebration. Original homeowners are highly encouraged to join. Photos, videos, and stories commemorating breaking ground on your home, attending past events, gathering around the community, etc., are just what we need to create a celebration for the ages. The meetings will be held during business hours, so please ensure your availability. Contact lifestyle@TalegaToday.com for more information.

Get Involved

DESIGN REVIEW COMMITTEE (DRC)

The Design Review Committee (DRC) meets once per month to review plans submitted by homeowners for architectural modifications to the exterior of their home. The DRC carefully reviews each application to ensure that all changes adhere to Talega's governing documents and keep a harmonious aesthetic throughout the community! If you are interested in getting involved, contact aidan.lutz@fsresidential.com.

ENFORCEMENT COMMITTEE

Homeowners associations serve a specific function—to govern and regulate the community with the goal of protecting or improving property values. The Enforcement Committee helps accomplish this goal by carefully reviewing all Architectural Standards, Policies and Guidelines, and CC&R infractions. Additionally, the committee reviews and passes consistent and fair rulings in accordance with the adopted governing documents of the corporation. If you're interested in getting involved, contact michelle.shields@fsresidential.com.

FIND THE BABY CUPID CONTEST

We've hidden a small icon like the one to the right, somewhere in the current issue. If you locate it, enter our "Find the Baby" contest and you will be placed in a random drawing for a prize. The winner will be announced via e-blast in February.

Send an email to: roman.contreras@fsresidential.com with the subject line, "Find the Baby." In your email be sure to include a brief description of what page number it is on, where on the page it is located, your name, address, and phone number. Happy Hunting!

HOW TO REGISTER FOR EVENTS

Moving into 2023, event registration will be online only, unless noted otherwise. Registration links will be available in weekly e-blasts and on the community website, TalegaToday.com, under the "Events & Programs" tab. TLC highly suggests registering for e-blasts. They are the best way to keep up-to-date with event information.

Please review some key information about registering for events:

- Pre-registration is required for **all** events. *
- Registration typically goes live 4-5 weeks prior to the event at 10:00 a.m. PST. **
- Carefully read all question prompts when registering.
- There is a two (2) adult maximum per household, per event. ***
- Events are exclusively for Talega residents. Any individual registered to attend must reside within the community. Visitors from out-of-town are unable to attend Talega events.
- Increasing headcounts after the event has sold out or on the same day of the event is not permitted and will not be accommodated.
- The Cancellation Policy remains in effect for all events with and without registration charges.

Should you have any questions, please contact Events Manager Marcy Maulorico at (949) 361-8466, ext.102.

*** With the exclusion of Summer Concerts. See event flyers for more details.**

**** Registration links will not allow you to make any selections until 10 a.m. PST. Links are typically available on the website 10 minutes prior to going LIVE.**

***** TLC understands some households have more than two (2) adults who would like to attend events. If this is you, please contact Events Manager Marcy Maulorico for further direction prior to registering.**

EVENTS CANCELLATION POLICY

Due to an increase in no-shows and last-minute cancellations, we have revised our event cancellation policy.

TLC understands that unforeseen circumstances may arise. We ask that those who can cancel in a timely manner please do so. Events are carefully planned and all registrants are accounted and paid for.

Failing to notify of cancellation in a timely manner compromises management. Our wait lists fill quickly, and it is difficult to notify those on the wait list on the same day of the event. Help management help you and your neighbors.

The new policy is as follows:

- Talega Lifestyle Events are for Talega residents only. Guests and family cannot be accommodated.
- Adult events are limited to two (2) adults per household. Additional adult(s) residing in the household require prior approval and verification of Talega residency 48 hours before registering for an event.
- All cancellations must be emailed to marcy.maulorico@fsresidential.com.
- Cancellations received 14 days or more prior to the event (by 5:00 p.m. on the 14th day) will receive a full refund.
- Cancellations received less than 14 days prior to the event or no-show will not be refunded.
- Cancellations received 48 hours prior to the event will be considered a violation. A notice reminding you of the cancellation policy will be sent to your residency.
- Registering and failing to attend will be considered a violation and will result in a charge equaling the actual unsubsidized cost of attendance per person.
- Upon your third offense, you may be denied registration for one or more future events.
- No balance or ticket transfers will be accommodated.
