Dear Talega Residents,

As your Board President for Talega Maintenance Corporation, I am writing to engage your support and collaboration on several issues that require our collective attention as a community. Talega is undoubtedly a wonderful place to live, and thanks to the ongoing efforts of both the Talega Lifestyle Corporation and Talega Maintenance Corporation Board of Directors, it stands as one of the most sought-after communities in the area. However, alongside these accomplishments, there are urgent matters that demand our immediate attention. As residents of this vibrant community, your active participation can make a substantial difference. Let us dive into some of the topics that call for collective action:

E-Bike Safety: E-bike riders have become a cause for concern due to irresponsible behavior on the streets and sidewalks. It is essential to report each instance of such activity to ensure the safety of all. Please utilize the non-emergency police line at (949) 770-6011 for reporting such incidents. In case of emergencies, do not hesitate to call 911. Additionally, please be aware that Sur-Ron bikes are not allowed on streets, sidewalks, or parks, and the police will take necessary action to enforce this regulation.

Crime and Safety: Regrettably, some residents have experienced assaults with air-soft guns, water balloons, and even frozen projectiles. Moreover, city parks in Talega are being vandalized, and dog waste bags are being used to create driving hazards on the roads. Such behavior is unacceptable and must come to an end. As a united community, we must take a stand against these actions and actively cooperate in prosecuting those involved in criminal activities.

Speeding and Stop Sign Compliance: Ensuring the safety of our streets is of utmost importance. We have noticed an increase in speeding within the community and neighborhoods. Additionally, it has been noted that an increasing number of drivers are running through the stop signs. This behavior poses a serious threat to all residents, especially children and pedestrians. It is essential for each one of us to obey speed limits and stop completely at all stop signs. By respecting these rules, we can foster a safer environment for everyone.

Burglaries: The South American Theft Group remains active in the United States, and we must remain vigilant. While we have been fortunate to avoid recent incidents, it is crucial that we stay alert and report any suspicious activity promptly. The group's activities in neighboring areas suggest that they may return to Talega, and we must be prepared. By working together and reporting suspicious activity, we can assist with the continued safety of our community.

Community Involvement: The heart of Talega's success lies in the unwavering commitment and passion of our volunteers. Their active participation in committees has been the driving force behind achieving our annual goals and making Talega the vibrant community it is today. As we continue to grow and evolve, I invite each of you to join this remarkable group of volunteers and contribute your time and skills to make Talega an even better place to live.

As we approach the upcoming Board election, I urge all residents to actively engage in the decision-making process. Your voice holds immense value, and your involvement in the election will shape the future of our community. It is essential that we come together as united neighborhoods and ensure that our collective voice is heard loud and clear.

This message marks the first of many regular communications from your Board of Directors, reflecting our commitment to transparent communication and collaborative effort. Together, we can overcome challenges, foster a safer environment, and build an even stronger Talega. Your continued support and dedication to the community are profoundly appreciated.

Sincerely,

Dennis Kamp

Election

Talega Maintenance Corporation Director Election November 14, 2023

The Talega Maintenance Corporation (TMC) Election will be held on Tuesday, November 14, 2023, to elect two (2) members to the TMC Board of Directors for a three- (3) year term. The Board of Directors is comprised of representatives elected by the membership (homeowners). The Board of Director's role is to supervise the properties of the corporation, approve and oversee budgets, and make decisions which strive for the betterment of the corporation in accordance with the legal documents.

How Does the TMC Election Process Work?

A neighborhood delegate system was set in place to assist in achieving quorum for the election. The requirement for quorum is 25% of the voting power of the corporation. State law requires a ballot with a two-envelope system. It is important for members to complete and mail in their ballot in the envelopes provided. There will be a Meet the Candidates Night at the Delegate Meeting on Wednesday, October 18, 2023, and the votes will be counted immediately following the Annual Meeting/Election on Tuesday, November 14, 2023. An election notice and ballot will be sent to all homeowners in advance of the Annual Meeting. We strongly encourage your active participation in this election.

How to Apply

If you are interested in running for a position on the Board of Directors, please complete the Board of Directors Candidacy Statement, which can both be found at talegatoday.com/documents or by scanning the QR code below.

All forms must be submitted and received by **5:00 p.m. on Tuesday, September 5, 2023**, for your application to be considered. Please submit your application either by email to bijou.tran@fsresidential.com or by mail to the following address:

Talega Maintenance Corporation

Facility Amenities & How to Reserve Them

You may already be familiar with the various amenities available to Talega residents! Among these, certain amenities are available for advance reservation through Court Reserve. These include the Sport Court, Bocce Ball Court, and Volleyball Court at the Talega Swim & Athletic Clubhouse, as well as the Pickleball Court at Tierra Grande.

The first step to reserving a court is to create an account through the online reservation system called Court Reserve. If you are not yet set up on Court Reserve, please email info@talegatoday.com to get started!

All courts are open from 6:00 a.m. to 10:00 p.m. daily and can be reserved for a maximum of 2 hours per day. Please note that equipment is not provided for the courts, with the exception of bocce ball, cornhole, and ping pong (see details below).

Remember to exercise courtesy when using the Court Reserve system. If you cannot make your court reservation, we ask that you please be mindful about canceling your reservation as soon as possible. This gesture will enable other residents to secure a reservation. To ensure that the court reservation system is being used appropriately, management will be conducting spot checks. Thank you in advance for your proactive courtesies.

You can reserve the following courts through Court Reserve:

- **Talega Swim & Athletic Clubhouse:**
 - *Sports Court (featuring tennis, pickleball, and basketball courts), Bocce Ball Court, and Volleyball Court*
- **Tierra Grande Pool:**
 - *Pickleball Court*

Use the following link to learn more about reserving courts and amenities: <https://talega.today/amenity-reservations/>
If you have any questions about reserving courts and amenities, do not hesitate to get in touch with us! You can reach the Talega Swim & Athletic Clubhouse during normal business hours at (949) 361-8466.

The following amenities and equipment are available for use on a first-come, first-serve basis during business hours of 9:00 a.m. - 4:30 p.m., 7 days a week. All rental equipment must always remain on the property. Please visit the front desk to rent equipment.

Bocce Ball Equipment

Talega Maintenance Corporation has (1) bocce ball set.

TSAC Cornhole

Talega Maintenance Corporation has (1) cornhole set.

Ping Pong

Talega Maintenance Corporation has (1) ping pong table and paddle/ball available.

Cristianitos Trail Update

The litigation by Talega Maintenance Corporation (“TMC”) against the Developer (then Standard Pacific—now Lennar Homes) for the damages to the Cristianitos Trail behind the easternmost homes in Miraleste and Farralon Ridge and two storm water drainage structures within Talega has settled.

Although settlement terms were reached several years ago among all parties involved, the litigation could not be finalized until the following issues were resolved:

1. Approval by the County of Orange of a modified Regional Trail Plan sufficient to allow the County to accept the easement over the Regional Trails, and assume maintenance obligations therefore;
2. The necessary transfer of title or obtaining recorded easements over properties burdened by the modified Regional Trail—which includes at least one parcel now owned by a third party;
3. Transfer of certain properties to the City of San Clemente, which are burdened by or adjacent to the modified Regional Trail, in order to either obtain necessary easements or ensure continuity of the trail, as applicable;
4. Release of the existing recorded easements over trail portions which will no longer be part of the Regional Trail, as modified, which include the portion of the trail behind the easternmost homes in Miraleste and Farralon Ridge neighborhoods.

Because the trail was burdened by an irrevocable easement in favor of the County of Orange (as part of the original contemplated Regional Trail Plan), the substantial repairs planned could not be performed until those portions of the trail were released from the easement.

The County has accepted the modified Regional Trail that runs along La Pata and has released all claims and easements over the Cristianitos trail section.

With the trail ownership-easement finalized, Talega immediately installed vehicle barriers at the top and bottom of the Cristianitos trail segment that runs behind the homes in the Miraleste and Farralon Ridge neighborhoods to deter unauthorized motorcycles, golf carts and automobiles from accessing the trail. Signage has been added and reflective tape has been placed on the gates to increase visibility during low-light conditions.

Permanent repair plans are currently being finalized and necessary drainage easements secured so the work can be bid during the fall/winter season so the anticipated work can begin summer 2024.

Thank you for your patience and understanding throughout this process. It is the community’s shared responsibility to preserve and protect the environment that makes Talega so unique. The culmination of years of effort and the recent enhancements underscore the Board’s commitment to preserving and improving Talega.

Updates on this project will be provided through the usual communication channels of emails (only if you are signed up), website, and newsletter. Please contact Executive Director, Brian Taylor, at (949) 361-8466 or brian.taylor@fsresidential.com with any additional questions.

Talega Tot Lot Renovation Project

The Talega Tot Lot Renovation Project at Paseo Vista reached its completion in June, offering the community a transformed play area to enjoy! The park now boasts a state-of-the-art play space for our young residents, featuring upgraded equipment, enhanced safety surfaces, and improved accessibility.

Please take a moment to view the before and after images, or better yet, experience the transformation in person. The selection of the new play structure was guided by input from the community through a survey. Thank you to all residents who took part in the survey!

Paseo Vista Park marks just the beginning of the Board's efforts to refresh the community tot lots. This renovation initiative aims to create inviting spaces where Talega's children can engage in safe and inspiring exploration through running, climbing, and play.

Before

After

At the Board of Directors Meeting on Tuesday, May 9, approval was also granted for the renovation of tot lots at Avenida Fresas, Calle Alumbrado, Cazadero, and Via Zamora Parks. The choice of structures for these parks was likewise influenced by the community survey results. Visual representations of each design can be accessed through the link provided below. Anticipated commencement for the upcoming tot lot renovation is set for Fall 2023. With updated equipment, enhanced safety surfaces, and improved accessibility, this project aims to inspire Talega's children to embrace the joys of physical activity and exploration in secure and stimulating surroundings.

For further insights into the ongoing projects within Talega, we invite you to explore the Project Updates page on the website. Simply follow the link provided below or scan the QR code to access more information.

Pool Closures

The TSAC Lap Pool and Saluda Pool are open and heated year-round. The TSAC Recreation Pool and Tierra Grande Pools will be closing October 30. The pools will re-open on April 1, 2024. As a reminder, all pool closures are updated on talegatoday.com/facility-information or the pool hotline, (949) 361-8466, ext. 105 that can be accessed 24 hours a day.

Street Sweeping

Holidays are approaching and with possible family/friends visiting, please keep in mind that street sweeping takes place throughout Talega on the first and third Friday of every month.

Remember to move your car on street sweeping days to keep our community streets, gutters, streams, and oceans clean.

TalegaToday.com website contest

Have some free time or want to be entered into a random drawing? Then check out the community website talegatoday.com. There is a hidden paintbrush emoji hidden somewhere.

When you locate it, email lifestyle@talegatoday.com with where it was located, along with your name and daytime contact information, and you will be entered into a random drawing for a \$25 Amazon gift card. The contest concludes on Wednesday, October 18, at noon.

Happy hunting!

BLOCK Parties

Don't miss the opportunity to gather your neighbors and have some FUN. Talega Lifestyle offers four (4) block parties per neighborhood annually with a possible \$400 towards cost reimbursement. It's a great way for neighbors to meet and keep in touch with one another.

Check out talegatoday.com for an application and guidelines.
